

STAYING SAFE TOGETHER

Please read and follow the guidelines below:

Complete a Self-Assessment

Complete the self-assessment questions next to this poster to determine if you may enter this location.

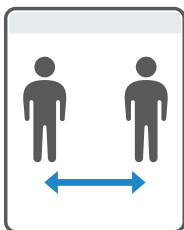

Wear Your Mask

Put on your mask prior to entering this location.

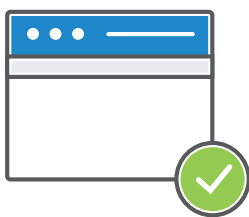

Sanitize Your Hands

Sanitize your hands when entering this location.

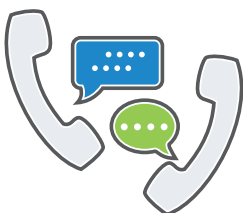

Maintain Physical Distance

When entering, maintain six feet of distance between other customers and staff. Plexiglass shields are present in certain areas to provide a barrier between customers and staff without compromising the physical distancing requirement.

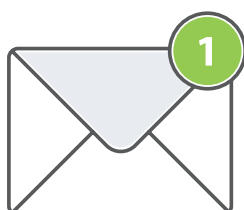

Use Alternative Ways to Bank

Use online, mobile and telephone banking services to reduce the need to visit this location whenever possible.

Book Virtual Appointments

Where possible, book telephone or online appointments with us to access financial advice and services while limiting physical contact.
